Important notes

1. This catalogue replaces all previous issues.
2. The catalogue is protected by copyright.
The duplication of it or any part of it is prohibited.
3. The supply of dph components strictly adhere to our sales and delivery agreement and are subject to our conditions of payment.
4. We reserve the right to modify our components as necessary.
5. The original equipment part numbers, as well as SLP, Elring-No., etc. indicated in the catalogue only serve as a cross-reference comparison with dph numbers. They must not appear on any advice notes or invoices.
6. All original part numbers of engine or vehicle manufacturers in this catalogue are mentioned for comparison reasons only and should not be used in contacts with vehicle owners.
7. Every effort has been made to ensure that the information in this catalogue is correct at the time of printing, but dph cannot accept any responsibility for errors which may occur.
