Heavy-Duty Aftermarket

Products

Engineered for Precision. **BACKED BY DANA.**

Spicer® Ring and Pinion

Strong, durable, quiet, and easy to set up. Get the premium axle parts for your upgrade—and proven OE performance for longer gearing life.

www.spicerparts.com

SVL® Ring and Pinion

Our All-Makes Program delivers quality and performance that meet or exceed the most popular non-genuine products.

www.svlparts.com

Parts You Trust for the Vehicles You Rely On. Your business depends on keeping your vehicles on the road, with minimal downtime and fewer maintenance intervals. Dana, the worldwide leader in driveline components understands that, which is why we manufacture a full line of heavy-duty aftermarket products bearing the trusted Spicer and SVL brands. From axle and driveshaft components to transfer cases and lubricants, you can get the quality you need to keep your operations moving in the right direction.

Why Dana Aftermarket Parts?

- Dana offers two strong brands, genuine Spicer® and SVL® all-makes, both delivering the best performance in their categories.
- Spicer parts are manufactured to the same standards as original equipment products, so you get the same quality in your service parts that you had when your vehicles were new.
- SVL replacement parts are engineered to meet the aftermarket product requirements of Dana, the most trusted name in driveline components.

SPICER

SPICER UNIVERSAL JOINTS

Tested and Proven for Top Performance.

Spicer 10 Series u-joints are engineered for a tighter fit, so you get better balance capabilities, reduced driveline vibration, and lower maintenance costs.

- Zerks positioned at 180°
 - Lubrication occurs without rotating the driveshaft
 - Saves maintenance time and costs
- One zerk is always exposed
 - Greatly reduces the chance of missed lubrication
- Case hardened inside and out
 - Increases durability, ruggedness, and strength
- Long-life seals
 - Resists heat and maintains lubrication at all speeds

Spicer Life Series SPL 170 and SPL 250 u-joints designed to withstand the increased stress that high efficiency truck configurations place on the driveline

- Equipped with High Power Density™ (HPD™) features
 - Extend product life and outperform the competition
- Designed with 40% more capacity than previous versions
- Multi-lip seals constructed with Viton® material
 - Extends life, improves wear capabilities and heat resistance, optimizes lube retention, and provides added protection against external contaminants
- Bearing package with larger rollers
 - Increases bearing capacity by 40%
- New thrust washer
 - Improves lubrication, eliminates friction and heat, and extends life
- New seal guard
 - Protects against external contaminants

SPL 170 and SPL 250 u-joints are also available in **Service-Free* Universal Joint Kits**, permanently lubricated with Spicer Ultra-Premium Synthetic Grease to significantly extend the life of the u-joint!

* Inspections must be performed at each maintenance interval to check for wear, damage, or looseness that could affect lubricant life and lead to driveline failure.

SVL

SVL UNIVERSAL JOINTS

Engineered for Precision. Backed by Dana.

SVL u-joints deliver reliable quality across all makes of commercial applications, and they have the backing of Dana, the worldwide leader in driveline products. SVL universal joints are designed and tested to ensure a combined level of performance and value that leaves the competition in the dust.

**SPICER**

SPICER SYNTHETIC GREASE

Spicer Life Series Ultra-Premium Synthetic Grease provides peak performance for all driveline components. Get excellent load-carrying ability, wear resistance, and protection against corrosion in automotive, commercial, off-highway, and high-performance applications.

- Increases bearing life by more than 50%
- Compatible with all NLGI-2 greases
- Manufactured using high-tech calcium sulfonate
- Delivers innate lubricity even at high temperatures
- Eliminates the need for performance additives
- Available in 10-packs of 14-oz. tubes or 1-gallon tubs

SPICER GREASE: SEEING IS BELIEVING

Learn how Spicer ultra-premium synthetic grease travels through your u-joint. It's just one of the informative videos you can check out at www.spicerparts.com/videos!

SPICER

SPICER DRIVELINE COMPONENTS

Full-Line Coverage.

Spicer® medium and heavy duty driveshaft products are manufactured to the same high standards as Original Equipment (OE) parts because they are OE parts. That means when a driveshaft part is replaced with a genuine Spicer product, it is being replaced with the original equipment product, ensuring the same performance and reliability you have come to expect.

- Balanced Slip Yoke Assemblies
- Tube Yokes
- Bearing Strap and Replacement Boot Kits
- End Yokes
- Driveshaft Tubing
- And More!

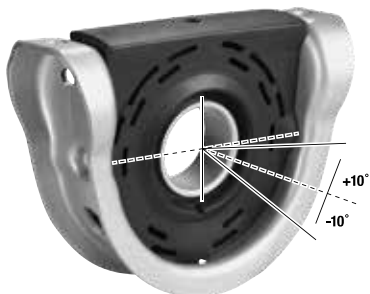

Visit www.spicerparts.com to see our full-coverage line of Spicer heavy-duty driveline components.

SPICER

SPICER XC™ CENTER BEARINGS

Maintenance-Free Performance and Optimal Alignment.

With alignment to $\pm 10^\circ$, Spicer XC center bearings deliver improved performance and durability, as well as a decreased risk of contamination. Plus, Spicer XC center bearings are self-aligning and 1.3 pounds lighter than previous designs.

- Double-lip seal technology
 - Reduces contamination
 - Eliminates need for dust shield
 - Prolongs part life
- Advanced technology elastomer material
 - Reduces noise and vibration
- Approved for all on-highway and off-highway applications

SVL

SVL CENTER BEARINGS

Alignment for Your Vehicle. Aligned to Dana Standards.

Designed and engineered to provide the proper fit, alignment, and support for your specific application needs, SVL center bearings protect your vehicle and your bottom line.

**SPICER**

SPICER STEER AXLE COMPONENTS

One-Stop Shopping from the Most Trusted Brand in the Industry.

This program includes the parts you need for optimal performance in your heavy-duty vehicle, all with the legendary Spicer brand.

Spicer axle in-depth coverage:

- Axles
- Beams
- Knuckles
- Arms
- Crosslink Assemblies

All makes:

- King Pin Kits
- Tie Rod Ends
- Drag Links

Get all-makes coverage and original equipment quality with the brand you rely on.

SPICER

SPICER AXLE OVERHAUL BEARING & REBUILD KITS

Our Most Comprehensive Kit. Everything You Need for a Thorough and Lasting Repair.

- Bearings, cups, and cones, each precisely selected for maximum performance in every position and application
- Premium oil seals for your best protection against nagging leaks and damaging contamination
- All the small parts to do the job right, including sealant, snap rings, gaskets, shims, and more

SPICER

SPICER HEAVY-DUTY CARRIERS

Save Money Up Front and Down the Road.

Get the peace of mind that comes from knowing your heavy-duty axle carrier contains only brand-new Spicer parts. Visit www.spicerparts.com today to learn how Spicer gearing and our core-free carrier program can benefit your fleet and your bottom line!

- Dedicated Carrier Expert on staff
- Hot Shot same-day delivery
 - Carriers can be received the same day, depending on your location and carrier
- Extended Emergency Truck-Down hours
 - Orders accepted up to 6:00 p.m. EST
- Inventory Exchange Program
 - Unused, sealed carriers that no longer meet the needs of your fleet can be exchanged
- Factory-new product
 - Built with 100% Spicer parts and featuring the latest product enhancements
 - Premium gearing, bearings, and oil seals in every unit
- Two-year, unlimited-mile warranty with possible 3rd year
- Cost competitive with reman pricing
- No core charges / no core returns
 - Save money and hassle up front, as well as storage, freight charges, staff time, and paperwork

**SPICER**

SPICER SYNTHETIC LUBRICANT

Spicer FE 75W-90 Fuel-Efficient Synthetic Gear Lubricant provides ultimate protection for gears and bearings, but it's also proven to deliver improved fuel economy and decrease CO₂ emissions. In addition Spicer Fuel-Efficient Synthetic Gear Lubricant delivers:

- Quantifiable 1% fuel savings improvement
- Reduced gear wear
- Reduced maintenance
- Less oil disposal
- Decreased vehicle downtime
- Maximum performance in extreme hot and cold temperatures
- Extended drain interval up to 500,000 miles
- Extended warranty protection (see ad on opposite page)
- Available in 1-gallon jugs, 5-gallon pails, or 55-gallon drums

**SPICER**

1 Trusted Name + 2 Great Products = A 3-YEAR WARRANTY.

Get an Extended Warranty on Your Spicer® Carrier When You Purchase Spicer® Gear Lube!

Purchase a new heavy-duty or medium-duty Spicer Service Carrier for your linehaul vehicle and fill it with Spicer FE75W-90 Fuel-Efficient Synthetic Gear Lube, and your 2-year unlimited mileage warranty will be extended twelve months for a total of **3 years!**

Easy As:

- 1. Purchase.** Spicer carriers help ensure smoother, quieter operation in your medium- and heavy-duty vehicle.
- 2. Fill.** Spicer gear lube is the only lubrication that meets our exact specifications.
- 3. Extend.** Together they deliver optimal performance, and extend your warranty by 12 months, for greater peace of mind!

To receive your warranty, you must register your carrier purchase with Dana. To download a registration form, visit www.spicerparts.com/carriers.

Available in 1-gallon jugs, 5-gallon pails, or 55-gallon drums.

Tested. Proven. Trusted. Driven.

SPICER

SPICER RING AND PINION GEARING

Gearing that Outperforms the Competition by 280%.

Manufactured from superior quality steel and precision-machined to ensure the perfect meshing of mating gears, Spicer ring and pinion gearing delivers performance that the knock-offs simply cannot match. The difference lies in our statistically controlled processes, which lead to real benefits for your vehicles:

- **Heat Treatment** for optimal hardness and increased durability
- **Face Hobbing** to ensure precise mating of gear teeth and a quieter ride
- **Shot Peening** to extend the life of the gear
- **Lapping** to reduce noise and heat
- **GenTech™ Gearing**

Competitive dyno testing proves that Spicer ring and pinion gearing means a longer life for your axle. Visit www.spicerparts.com to learn more about the difference Spicer gearing can make.

SVL

SVL RING AND PINION GEARING

Coverage for All Makes of Heavy-Duty Vehicles.

SVL heavy-duty ring and pinion gearing fits your heavy duty vehicles with the ideal blend of coverage, value, and performance. Quality steel, heat treatment, and machining come together to ensure reliable service and exceptional value.

Available in the following ratios:

- SVL 140
- SVL 160
- SVL 402
- SVL 404

Get the replacement parts that are backed by Dana—and a six-month, 50,000-mile warranty. For more information on SVL ring and pinions, visit www.svlparts.com.

SPICER

SPICER TRANSFER CASES

Rough Terrain Versatility. OE Quality.

Maximum power in all transmission speeds. Full torque capacity in both front and rear axles. All-purpose capability across rough environments. Spicer transfer cases give you all-wheel drive when you need it, as well as the ability to disconnect features when you need additional power flow options.

- Adaptable to meet mid-ship mount, stationary applications and direct mount for a variety of transmissions
- Optional front wheel disconnect to both front and rear axles
- Ensures a more efficient use of heavy-duty vehicles in a range of applications

**SPICER**

SPICER WHEEL SEALS

Heat, Dirt, and Dust are the Enemy. Fight Back with Spicer Wheel Seals.

Reduce friction, lower torque, and promote cooler running temperatures in your vehicle. Take advantage of proven seal geometry that keeps contaminants out. And cut down on labor costs by reducing the need for early brake replacements.

- Fully tested by Dana
- Full range of installation tools
- Backed by Dana 100%
