# History. Expansion. Vision.

## *Geschichte*

Die Erfolgsstory von Trucktec begann in den späten 80ern. Als Firma unter dem Namen „Trucktec Fahrzeugteile GmbH“ gegründet, spezialisierte man sich auf Fahrzeugteile passend für Mercedes LKW und Busse. Es dauerte nicht lange, bis Teile passend für PKW / Transporter sowie viele weitere Hersteller-Marken dazu kamen.

## *Expansion*

Mit weltweiten Vertriebsstandorten in den VAE, Asien, Amerika und Südafrika ist Trucktec Automotive immer in der Nähe seiner Partner. Im Jahre 2008 hat Trucktec Automotive ein komplett neues, auf die Bedürfnisse des wachsenden Marktes ausgerichtetes Lager und Verwaltungsgebäude errichtet. Dieses Logistikzentrum wird kontinuierlich erweitert, um den Anforderungen des Marktes immer gewachsen zu sein.

## *Vision*

Trucktec Automotive steht weltweit seit Jahren als Synonym für faire Preise, perfekte Leistungen, exzellente Qualität und eine große Teile-Auswahl. Mit dem Ziel, unseren Importeuren und Großhändlern ein verlässlicher Partner im Ersatzteilgeschäft zu sein. Und dies 24h rund um die Uhr – 365 Tage im Jahr. Wir verfügen als erste im Markt über Produktneuheiten und können so neue Teile mit attraktiven Margen als erstes anbieten.

## *History*

Our story of success began in the late eighties. Founded as “Trucktec Fahrzeugteile GmbH”, we specialized in vehicle parts fitting Mercedes trucks and buses. It did not take long until parts fitting other vehicles and parts fitting Mercedes cars and transporters followed.

## *Expansion*

With sales branches in the UAE, Asia, East Europe and South Africa we are always in close proximity to our partners. In 2008 we moved to a new headquarter with a bigger warehouse and state of the art work environment. This gave us enough room to grow and the space to adapt to future needs.

## *Vision*

For years Trucktec Automotive has been a synonym for great prices, perfect performance, outstanding quality, and a wide range of spare parts. Our goal is to be a trusted partner when it comes to spare parts 365 days a year. With constant innovations like the early introduction of a web shop and the integration of the “Tec Doc System”, an excellent sales promotion system and the promise “Ordered in the morning and shipped out in the evening – no matter what size the order!”
